略歴

JSPS Postdoctoral Fellow, April 2019 – current

Ph. D., Graduate School of Information Science and Technology, Hokkaido University, April 2016 – March 2019 (supervisor: Prof. Hiromichi Ohta)

Research student, Research Institute for Electronic Science, Hokkaido University, October 2015 – March 2016

M.E., School of Materials Science and Engineering, University of Science and Technology Beijing (USTB), September 2012 – January 2015 (supervisor: Prof. Bo-Ping Zhang)

B.E., School of Materials Science and Engineering, University of Jinan, September 2008 – July 2012
