略歴

Visiting scholar, Research Institute for Electronic Science, Hokkaido University, Japan, April 2022-present

Ph. D candidate, Optical Engineering, Beijing Jiaotong University (BJTU), China, September 2019-present

Master, Electronic Science and Technology, Beijing Jiaotong University (BJTU), China, September 2017-August 2019

Bachelor of Engineering, Electronic Science and Technology, Beijing University of Chemical Technology (BUCT), China, September 2013-August 2017
